SIR,

I have the honor to state that the Government have in their Orders Nos.2403-5/M1 109-08-2 and 3593/M1 109-08-4 dated 5th September 1908 and 15th October 1908 respectively sanctioned the deputation for about four months of Mr.A.Narasimha Murti, 3rd Grade accountant of the Public Works branch of my office and also the entertainment of an additional clerk on Rs.25/- a month to assist him, to audit the accounts of the Mysore City Improvement Trust Board. The work was accordingly taken up by him on the 7th of September 1908 and is still being done. His progress has been watched by myself in person and by my assistant Mr.Lakshminarasimha Rao who has been deputed to supervise the work from the commencement. Moreover weekly diaries are received in this office (Public Works branch) showing the work turned out by the auditor. The accounts were found to be in a confused and incomplete state and the numerous errors and irregularities including some overpayments brought to light during the course of audit have made it necessary to devote more time to the work than was at first thought sufficient. Hence the period of 4 months first recommended by me for the completion of the work is inadequate. From the Auditor's diaries above referred to it

I have the honor to be,
